MEMORANDUM FOR THE RECORD

Morning Meeting of 23 March 1967

The Director announced that Ambassadors Bunker and Locke will be briefed at 1000 this morning in the Director's Conference Room.

DD/I said that he reviewed the film of the Chinese nuclear tests and felt that it would be a worthwhile contribution to the briefing for Ambassador Bowles. Bruce Clarke will have the action.

DD/I asked for guidance on a letter from [redacted] request-
ing that an ad hoc committee review intelligence exchange [redacted]
He proposed that the matter be handled by discussions involving COS,
[redacted] The Director agreed.

DD/I reported on the negative conclusions of [redacted]

Godfrey reported on the most recent reconnaissance over Cuba in which there were no indications of off-loading SA-2 or cruise missiles.

Godfrey called the Director's attention to a JCS message to CINCPAC adding two thermal plants to the target list.

Kent noted that he will be on a NASA trip next week. The Director said that, as a general rule, he would appreciate as much prior notice as possible on trips involving senior Agency personnel.

DD/S informed the Director that the Agency will be servicing a request for support of the Vice President's European trip.

The Director said that the DDCI will chair the USIB meeting this morning.
